Sponsors and sponsorships for Christian Help, Inc. are the heart, body, and soul of this Christ-like interdenominational organization in Johnson County. By helping the less fortunate in the area, our wish is that they will find Christ through their new-found hope. Sponsors provide the bulk of the funds needed to give shelter in emergencies, to provide food, warmth and comfort to those in need. We appreciate our sponsors sharing the gifts that God has given them. Christian Help, Inc. needs and asks you to consider being a sponsor this year as well as influencing others to commit to one of our sponsorships.
